24 Volume Handbook Drug Development Series

"..Our R&D would like to order the
complete 24 volume Drug
Development Series..."

Pliva dd Research Institute - Croatia

Quote :

International Journal of Drug Development.

"..this is not only an excellent
technical Journal - it's a fast track
procedure to the market place".

Quote :

International Journal of Drug Development.

"..I never really understood
the impact of Q61 and how
it would affect my development
program until I read your superb review
on the FDA-ICH Linked Guidelines".

Research Director - Multinational

Quote :

International Journal of Generic Drugs.

"..We would like to order all
your back issues for 1996; 1997
& 1998 with immediate effect
RPRorer / Teva Group / Proctor Gamble

Quote :

International Journal of Drug Development.

"..I would like extra copies of
I.J.G.D. #2 and #4
to hand out at our stability seminar
Upshire Smith USA

Quote:

International Journal of Drug Development.

"..Can we make 35 copies for our
post graduate students course..."

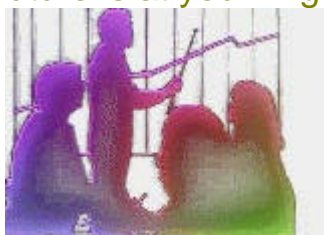

University of Utah

Handbooks of Generic Development

"..Our R&D has blown up your
Development Flow Chart Series (A1)
and now they hang in the entrance..."

Wits University & Technicon

The Future is at your finger tips

Gaze into the future world of drug development by accessing the Locum Group web sites. Technological developments, technical reviews and articles, new product and upgrade announcements - never before has the future of drug development been so accessible - and cost effective in running an R&D business more effectively today. Look into the future and save months & months off your drug development pipeline program.
