## IAGIM MEMBERSHIP

### Class One

AAB Membership

Free

Elected Members of the Association's Advisory Board with participation in the Association's Drug Development Programs.

### Class Two

IAGIM Membership (Annual - Ordinary)

\$460

Ordinary *annual* membership of the Drug Development Association for the purchase of Journals, Handbooks, Reports, Drug Development Publications and know-how technology.

### Class Three

IAGIM Membership - (Life - **Double Benefits**)

\$60000

Life membership of the Drug Development Association is for 10 years. Life membership is designed for active generic and innovative research departments, who require unlimited and unrestricted (free) e-mail and mail access to *any* of the Association's listed technical databases and know-how files<sup>1</sup> as well as a life membership subscription to both the International Journal of Drug Development and International Journal Generic Drugs.

Life Membership requires a single, once only, gross payment and then ordinary membership every year to cover administration plus ANY additional shipping costs - all publications, Handbooks Data Reports and Ready-To-Go™ know-how CMC databases are thereafter supplied at no additional charge to the life member according to the Association's life membership guidelines. Available on request, membership conversions and guidelines.

Yours Sincerely,

*Dori Belle*
